There is a lot of wonderful things to do and see in the Hardin/Billings area. We do not have all the schedule put together yet but will have a packet out to all members and interested parties soon. This early information is intended to provide you the dates for the Gather and our meeting schedule which is in place.

We are working with some folks at the Big Horn Museum that are helping us make all the arrangements.

- The Yellowstone Museum of Art  
*(the largest Will James Exhibit in the world)*
